

THE DEFENCE TEAMING CENTRE, INC.

Developing Australia's defence industry to respond to tomorrow's defence needs

THE DEFENCE TEAMING CENTRE (DTC) is a leading defence industry association based in Australia's 'Defence State', South Australia. We are dedicated to growing and scaling Australia's defence sector, and we do this by connecting, developing and advocating on behalf of industry.

Our professional staff bring together Defence Primes, SMEs, academia and professional service providers to collaborate for defence market opportunities through a comprehensive calendar of events and development programs. Members receive facilitated introductions to key defence decision makers across the sector and advice on how to approach the defence market.

DTC's advocacy is focused on streamlining business complexities, reducing costs and promoting growth for Australian SMEs. The DTC is continually guiding and supporting defence industry to navigate through the evolving Defence landscape and win work in the defence sector. We do this by providing tailored services including market advice, coaching and professional development programs to create mature defence businesses across Air, Land, Sea, Space and Cyber.

Join the DTC and tap into a nationwide supply chain encompassing Defence Primes, SMEs, academia, and professionals.

MEMBER SERVICES INCLUDE:

- Cost-effective training and development activities, including Defence 101, AUSDEFCON and the nationally recognised Defence Industry Leadership Program (DILP)
- Discounted access to networking opportunities for collaboration and support
- Representation on the Australian Industry Group Defence Council.
- Targeted referrals to Primes and other members
- Advocating for key issues to shape and influence policy
