

COMING UP JUNE 2018

BUDGET 2018

ADM's June 2018 edition will cover the 2017/18 defence budget which is expected to include some significant major capital equipment program announcements. With spending to increase to two per cent in the near future, *ADM* is following the money.

ADM will examine how the budget from the Government will affect policy and spending of both CASG and the wider Defence Industry in this reform and savings driven environment. Will the numbers in the IIP and White Paper match up with the Budget? *ADM* will crunch the numbers and you can find out.

ENHANCING THE ADF'S COMBAT CAPABILITY

In this special feature series, *ADM* intends to examine the key projects in the Integrated Investment Plan and what they mean for Defence industry and the shape of the ADF in the decades to come. A good round up of the projects of the day.
