

THE TRUSTED AUSTRALIAN PARTNER

RPC is the OEM for numerous Composite based solutions for SEA and LAND Defence systems. RPC provides fabricated assemblies including specialty alloys, all grades of aluminium and stainless steel.

RPC Technologies has more than 40-years experience servicing the Australian Defence sector.

RPC is trusted to supply Acoustic Sonar Windows for submarines and frigates; Ballistic Spall protection Kits for military vehicles; and bespoke assemblies that incorporate composites, electrical, hydraulic and pneumatic systems.

RPC has provided TLS for all Army rapid deployed bridging for the past 30 years and continues to do so.
