## JOINT HEALTH COMMAND GARRISON FACILITIES UPGRADE PROJECT – PUCKAPUNYAL, VIC

**AZ6101**

**18 DEC**

*Ext. From 11 Dec*

- Request for Information - Head Contractor Contract (HC -1 2003) - Project No: J0105

The J0105 Joint Health Command Garrison Health Facilities Upgrade Project (the Project) will upgrade and consolidate certain Australian Defence Force (ADF) health centres around Australia.

This will include construction of new facilities as well as refurbishment of existing facilities, to improve the delivery of health services to ADF personnel. The project aims to provide fit-for-purpose, contemporary healthcare facilities as part of a comprehensive infrastructure solution intended to address deficiencies around condition and functionality of priority Joint Health Command facilities, providing primary health and associated health care to Australian Defence

Force (ADF) personnel around Australia. The works involved include construction services for a range of new build and refurbishment of existing health centre solutions. It will include demolition of some existing health centres.

A new health centre at Puckapunyal will be constructed on a vacant site (an unused sporting oval) on the corner of Mont St Quentin Road and Morobe Road, based on a fully documented design. The existing Health Centre will be demolished upon completion and transition into the new facility. The single storey building is approximately 1,700m<sup>2</sup> and will be a steel framed structure with a steel roof and will include services and finishes typical of modern health facilities. It will be a comprehensive modern health facility similar to a General Practice Super-Clinic with aspects of a regional hospital.

The preferred contractor will be employed under the Head Contractor Contract (Construct Only).

**Estimated Value:** From \$20,000,000 to \$25,000,000

**Closing Date:** 12:00 PM Tuesday 18 December 2018

**Enquiries:** Kristian Wheeler (Aurecon Group), Mob: 0407 990 299, Fax: (03) 9975 3444, Email: J0105jhc@aurecongroup.com

**Copies of RFI:** [www.tenders.gov.au](http://www.tenders.gov.au)

## JOINT HEALTH COMMAND GARRISON FACILITIES UPGRADE PROJECT – SIMPSON, VIC

**AZ6102****18 DEC***Ext. From 11 Dec*

- Request for Information - Head Contractor Contract (HC -1 2003) - Project No: J0105

The J0105 Joint Health Command Garrison Health Facilities Upgrade Project (the Project) will upgrade and consolidate certain Australian Defence Force (ADF) health centres around Australia. This will include construction of new facilities as well as refurbishment of existing facilities, to improve the delivery of health services to ADF personnel. The project aims to provide fit-for-purpose, contemporary healthcare facilities as part of a comprehensive infrastructure solution intended to address deficiencies around condition and functionality of priority Joint Health Command facilities, providing primary health and associated health care to Australian Defence Force (ADF) personnel around Australia. The works involved include construction services for a range of new build and refurbishment of existing health centre solutions. It will include demolition of some existing health centres.

A new health centre at Simpson Barracks will be constructed on a sloped site adjacent to the existing Simpson Health Centre. The existing Health Centre will be demolished, and converted into a carpark, upon completion and transition into the new facility. During the works, a portion of the existing facility will be required to be demolished, while maintaining operations to the remainder of the facility, to allow for construction of the new facility. This will require appropriate site coordination/management by the contractor. The single storey building is approximately 1,600m<sup>2</sup> and will be a steel framed structure with a steel roof and will include services and finishes typical of modern health facilities. It will be a comprehensive modern health facility similar to a General Practice Super-Clinic with aspects of a regional hospital.

The preferred contractor will be employed under the Head Contractor Contract (Construct Only).

**Estimated Value:** From \$16,000,000 to \$21,000,000

**Closing Date:** 12:00 PM Tuesday 18 December 2018

**Enquiries:** Kristian Wheeler (Aurecon Group), Mob: 0407 990 299, Fax: (03) 9975 3444,

## JOINT HEALTH COMMAND GARRISON FACILITIES UPGRADE PROJECT – OAKLEY, QLD

**AZ6116****18 DEC***Ext. From 11 Dec*

- Request for Information - Head Contractor Contract (HC -1 2003) - Project No: J0105

The J0105 Joint Health Command Garrison Health Facilities Upgrade Project (the Project) will upgrade and consolidate certain Australian Defence Force (ADF) health centres around Australia. This will include construction of new facilities as well as refurbishment of existing facilities, to improve the delivery of health services to ADF personnel. The project aims to provide fit-for-purpose, contemporary healthcare facilities as part of a comprehensive infrastructure solution intended to address deficiencies around condition and functionality of priority Joint Health Command facilities, providing primary health and associated health care to Australian Defence Force (ADF) personnel around Australia. The works involved include construction services for a range of new build and refurbishment of existing health centre solutions. It will include demolition of some existing health centres.

The existing health centre is located at Swartz Barracks and will be decommissioned, and a new health centre will be constructed closer to the flight line. The new health centre will be constructed at a new site within Swartz Barracks, on which a records store currently stands. The records store is to be demolished, and the new health centre is to be built based on a fully documented design. The existing OAKHC will also be demolished under the contract with the existing facilities to continue to operate until the new health centre is fully operational. OAKHC will be a single storey health centre building that is approximately 1100 m2 and will be a steel framed structure with a steel roof and will include services and finishes typical of modern health facilities. An additional approximately 800 m2 will be allocated to carparking. It will be a comprehensive and modern health facility, similar to that of a General Practice Super-Clinic.

The preferred contractor will be employed under the Head Contractor Contract (Construct Only).

**Estimated Value:** From \$10,000,000 to \$15,000,000

**Closing Date:** 12:00 PM Tuesday 18 December 2018

**Enquiries:** Kristian Wheeler (Aurecon Group), Mob: 0407 990 299, Fax: (03) 9975 3444,

## JOINT HEALTH COMMAND GARRISON FACILITIES UPGRADE PROJECT – ENOGGERA, QLD

**AZ6117****18 DEC***Ext. From 11 Dec*

- Request for Information - Head Contractor Contract (HC -1 2003) - Project No: J0105

The J0105 Joint Health Command Garrison Health Facilities Upgrade Project (the Project) will upgrade and consolidate certain Australian Defence Force (ADF) health centres around Australia. This will include construction of new facilities as well as refurbishment of existing facilities, to

improve the delivery of health services to ADF personnel. The project aims to provide fit-for-purpose, contemporary healthcare facilities as part of a comprehensive infrastructure solution intended to address deficiencies around condition and functionality of priority Joint Health Command facilities, providing primary health and associated health care to Australian Defence Force (ADF) personnel around Australia. The works involved include construction services for a range of new build and refurbishment of existing health centre solutions. It will include demolition of some existing health centres.

This project will refurbish the EHC at Gallipoli Barracks to improve efficiency based on a fully documented design. EHC is a major refurbishment which will relocate the dental services into the health centre, and shut down the Enoggera Clinic, and Enoggera Clinic East. Dental services are currently delivered from a building that is no longer fit for purpose. The scope of this work includes relocating the dental service from the existing dental building into the main health centre, and re-organising the primary care department including reception, waiting area, pharmacy, consulting rooms, treatment bays, interview rooms, support and administration spaces. This will modernise the facility and improve functional efficiencies. The approximate floor area for the refurbishment is 1860m<sup>2</sup>. All services currently delivered from the primary care department will need to continue throughout construction. Therefore, staging and decanting will be required throughout construction.

The preferred contractor will be employed under the Head Contractor Contract (Construct Only).

**Estimated Value:** From \$12,000,000 to \$17,000,000

**Closing Date:** 12:00 PM Tuesday 18 December 2018

**Enquiries:** Kristian Wheeler (Aurecon Group), Mob: 0407 990 299, Fax: (03) 9975 3444, Email: J0105jhc@aurecongroup.com

**Copies of RFI:** [www.tenders.gov.au](http://www.tenders.gov.au)

## JOINT HEALTH COMMAND GARRISON FACILITIES UPGRADE PROJECT – TOWNSVILLE, QLD

**AZ6118****18 DEC***Ext. From 11 Dec*

- Request for Information - Head Contractor Contract (HC -1 2003) - Project No: J0105

The J0105 Joint Health Command Garrison Health Facilities Upgrade Project (the Project) will upgrade and consolidate certain Australian Defence Force (ADF) health centres around Australia. This will include construction of new facilities as well as refurbishment of existing facilities, to improve the delivery of health services to ADF personnel. The project aims to provide fit-for-purpose, contemporary healthcare facilities as part of a comprehensive infrastructure solution intended to address deficiencies around condition and functionality of priority Joint Health Command facilities, providing primary health and associated health care to Australian Defence Force (ADF) personnel around Australia. The works involved include construction services for a range of new build and refurbishment of existing health centre solutions. It will include demolition of some existing health centres.

The existing health centre is located at RAAF Base Townsville, and will be decommissioned, and a new health centre will be constructed over the existing Airmen's Mess based on a fully documented design. As part of the construction, the Airmen's mess will be demolished, as well as existing ablutions adjacent to the Spotless building. The new build will be a single storey building at approximately 1000m<sup>2</sup>. It will be a steel framed structure with a steel roof and will include services

and finishes typical of modern health facilities. Existing facilities will continue to operate and the existing health centre will only be demolished upon completion of the new health centre. The contractor will be responsible for protecting the existing operational health centre whilst demolition and construction works are in progress. It will be a comprehensive modern health facility similar to a General Practice Super-Clinic.

The preferred contractor will be employed under the Head Contractor Contract (Construct Only).

**Estimated Value:** From \$12000000 to \$17000000

**Closing Date:** 12:00 PM Tuesday 18 December 2018

**Enquiries:** Kristian Wheeler (Aurecon Group), Mob: 0407 990 299, Fax: (03) 9975 3444,

## NEW ZEALAND TENDERS

### UPDATE ON THE DEFENCE ESTATE & INFRASTRUCTURE PROFESSIONAL SERVICES STRATEGIC PARTNERSHIP PROCUREMENT

#### NOI 18059927

- Notice -

Following on from the update provided in early September 2018, the procurement for a Strategic Partnership for professional services (Alliance) has been subject to a number of internal stakeholder consultations. Defence Estate and Infrastructure and Defence Commercial Services are working jointly to progress the procurement through the NZDF procurement assurance process.

We are expecting to be able to begin the formal procurement process early in the New Year. As soon as we have a more robust timetable, we will communicate that so that all interested bidders are given maximum time to prepare.
