SEA1442 PHASE 5 - MARITIME TACTICAL C3 SUB PROGRAM

JSD/NOT/8933/2

- Notice - Capability Acquisition and Sustainment Group

SEA1442 Phase 5 seeks to modernise maritime communications for the Royal Australian Navy (RAN) by acquiring and supporting an enhanced wireless voice and data communications and information exchange capability. The Project's focus is on interoperability and system commonality and its scope includes a number of the complimentary elements that make up modern maritime communications systems, including networks, aggregation and encryption equipment, bearers and antennas. The Project also seeks to employ the flexibility of development and advancing technology to continually evolve the resultant capability to ensure it meet the RAN's needs for the coming decades. Due to the current situation surrounding Coronavirus (COVID-19), the SEA1442 Phase 5 Project Office (Project Office) anticipates that the original Industry Engagement Schedule (as identified at the recent Industry Brief on the 17th February 2020) will be negatively impacted by the cumulative effects of this outbreak. The Project Office remains fully committed to pursuing the completion of ourwork in a safe, diligent and reasonable manner under the current circumstances. The following is a revised (indicative) Industry Engagement Schedule for SEA 1442-5:

- Industry Briefing - Project Overview 19 February 2020
- Release of Draft Project Overview - Q2 2020
- Release of Draft Documents - Industry Feedback - Q3 2020
- Industry Briefing & Face to Face Meetings - Q3 2020
- Industry Briefing - Post RFT Release - Q1-Q22021

Copies of Notice: www.tenders.gov.au

LAND 907 PHASE 2 ABRAMS M1A2 IMMERSIVE TACTICAL TRAINER

AVD/NOT/14029/1**30 JUN**

- Notice - Capability Acquisition and Sustainment Group

The Department of Defence is seeking Australian Industry to design, develop, manufacture and deliver an Immersive Tactical Trainer (ITT) for the Australian Army's Abrams M1A2 capability sought under Project LAND 907 Phase 2.

As part of Defence's future Heavy Armoured Capability System, LAND 907 Phase 2 is to provide an upgraded Abrams M1A2 Main Battle Tank (MBT) capability by replacing the extant Abrams M1A1 variant and delivering upgraded supporting systems including the Armoured Recovery Vehicle capability. LAND 907 Phase 2 will also provide the capability requirement to augment the current Abrams M1A1 MBT support system to support the Australian Army's Abrams M1A2 MBT, encompassing facilities, Training, Integrated Logistics Support and Commercial Arrangements. Within the scope of this support system augmentation are the following user requirements:

- Immersive Tactical Training, and
- Procedural Gunnery Training.

It is proposed that an ITT capability will provide a high fidelity simulation system to train Abrams M1A2 crews as a precursor to 'Live Fire' practical training and Immersive Tactical Collective Training from crew up to Army Training Level 6/7. This is to be achieved by integration into the Land Training Environment.

Two (2) sub-sets of capability are being sourced:

- One (1) ITT-Classroom based capability to simulate a troop of Abrams M1A2.
- Three (3) ITT-Containerised troop sets. Each troop set is to consist of four (4) ITT to simulate a single Abrams M1A2 and be relocatable within a 20 foot ISO container. This is to be up to a maximum of four (4) containers for each troop set.

The ITT capability being sought seeks to provide:

- an enhanced simulation capability that addresses Army's requirement in areas where the Advanced Gunnery Training System (AGTS) has limitations against the Australian user requirement;
- the opportunity for commensurate or reduced acquisition costs for the training system;
- growth potential for the training capability and the ability to manage obsolescence issues into the future;
- the opportunity for increased Australian Industry Capability (AIC) content in the acquisition of the Heavy Armoured Combat System; and
- the opportunity for simulator integration into Defence's Land Training Environment.

This Notice is being released in order to position Australian Industry to be able to respond to the forthcoming Request For Tender (RFT). The RFT is due to be released on 29 May 20.

Gate 2 for LAND 907 Phase 2 is currently scheduled for Sep 2021.

This acquisition will also include a linked ASDEFCON Support Short contract template.

Closing Date: 4:30 PM Tuesday 30 June 2020

Enquiries: SO2 Simulation and Training, Email: m1.abramsprojects@defence.gov.au

Copies of Notice: www.tenders.gov.au

SUPPLY OF MOBILE TRAINING GYM

7BDE-19/20/351 14033
26 MAY

- Request for Quotation - Defence Support and Reform Group

The Department of Defence is seeking quotations from suitably qualified contractors for a Mobile Training Gym (MTG) to deliver individually and group training programs to soldiers safely within the barracks environment and in a field/deployed environment. It is to be based on an ISO 20 ft. shipping container that is deployable by current ADF in-service equipment and vehicles.

Estimated Value: From \$80,000 to \$100,000

Closing Date: 3:00 PM Tuesday 26 May 2020

Enquiries: Anthony Birch, Tel: (07) 3332 7368, Email: anthony.birch@defence.gov.au

Copies of RFQ: www.tenders.gov.au

DEFENCE FUELS TRANSFORMATION PROGRAM, RISK REDUCTION - RAAF EDINBURGH SA

EST04271
29 MAY

- Request for Tender - Medium Works Contract (EWP MEWC -1 2014) - Project No: EST04271

The Department of Defence is seeking tenders from suitably qualified contractors for a project to achieve a safer, simplified and assured fuel network by addressing current and immediate deficiencies in the Defence Fuel Supply Chain, and risks and issues identified in the Defence Fuel Network Review.

Industry Briefing: An Industry Briefing will be held **on Thursday 14 May 2020 at a time and location to be confirmed.** Tenderers must contact the Enquiries Officer by 5:00 PM on Tuesday 12 May 2020 if wishing to attend.

Works to be completed within 47 weeks of contract execution. The preferred contractor will be employed under the Medium Works Contract (Construct only).

Closing Date: 12:00 PM Friday 29 May 2020

Enquiries: Marcus Howard (Aurecon Group), Tel: (08) 8237 9987, Email: DFTP@aurecongroup.com

Copies of RFT: www.tenders.gov.au

HANGAR REFURBISHMENT WORKS - RAAF RICHMOND NSW

EST03640
2 JUN

- Request for Tender - Medium Works Contract (EWP MEWC -1 2014) - Project No: EST03640

PROVISION OF LEADERSHIP DEVELOPMENT PROGRAM

DHA-PROC-45867**9 JUN**

- *Request for Tender - Defence Housing Australia*

Defence Housing (DHA) is seeking tenders from suitably qualified contractors for the provision of a Leadership Development Program from a subject matter expert to co-design and deliver its Senior Leadership Program.

Closing Date: 2:00 PM Tuesday 9 June 2020

Enquiries: Procurement, Tel: (02) 6217 8555, Email: procurement@dha.gov.au

Copies of RFT: www.tenders.gov.au

CTC-LIS SUPPORT

LSD/RFP/13480/1**3 JUL**

- *Request for Proposal - Capability Acquisition and Sustainment Group*

The Department of Defence requires proposals for the support services for the Integrated Live Simulation, Range Instrumentation and Information System (CTC-LIS) utilising all of the current Commonwealth owned equipment or, part thereof, or without utilising any of the Commonwealth owned equipment, within, the estimated annual budget of \$16,000,000.00 (\$16m), with any potential contract from an RFT process having a proposed contract term of five (5) years with three (3) x 3 year options to extend.

Closing Date: 4:00 PM Friday 3 July 2020

Enquiries: Contract Manager, Email: ctclis@defence.gov.au

Copies of RFP: www.tenders.gov.au

PROFESSIONAL SERVICES FOR TRAINING AUTHORITY MARITIME WAREFARE

TAMW PS 2020 RFT

13 JUL

- Request for Tender - Defence Support and Reform Group

The Department of Defence is seeking tenders from suitably qualified contractors for the provision of Professional Services to Training Authority Maritime Warefare (TAMW). TAMW trains military personnel in combat systems, warfare, ship handling and navigation. Professional Services will include the provision of specialised navigation warfare training and technical support for the TAMWs electronic simulation training systems at HMAS Watson (Sydney) and HMAS Stirling (near Perth) WA.

Contract commencement is 17 Dec 2020. The contract period is for five (5) years with optional 12 month extension period.

Closing Date: 1:00 PM Monday 13 July 2020

Enquiries: Scott Weston, Email: navy.contracting@defence.gov.au

Copies of RFT: www.tenders.gov.au

DEFENCE TENDERS – AMENDMENTS

CAPABILITY LIFE CYCLE MANAGER

MSD/RFT/12626/1

8 MAY

- Request for Tender - Capability Acquisition and Sustainment Group

The Department of Defence is seeking to procure Capability Life Cycle Manager (CLCM) services in support of the SEA 1180 Offshore Patrol Vessels (OPV). The CLCM will conduct assurance and capability stewardship services during the acquisition and sustainment phases of the OPV Capability Life Cycle, as well as ensuring a smooth transition into service. The term of the CLCM Contract will be a maximum of seven (7) years and will be split up into a number of phases. The first phase is the Assurance and Planning Phase (1 year), with the primary objective of ensuring the integrity of OPV Support System Technical Data. The second phase is the Acceptance and Delivery Phase (3 years), which includes acceptance of the initial tranche of OPVs into sustainment. The third phase is the In-Service and Delivery Phase (3 years), which involves the long-term stewardship of the OPV Capability. The CLCM will be located in and perform the services in WA.

Tender Presentations: **Tender Presentations will be held conducted remotely via teleconference on Friday 15 May 2020. Tenderers must contact the Enquiries Officer by 4:00 PM on Tuesday 12 May 2020 if wishing to attend.**

Closing Date: 2:00 PM Friday 8 May 2020

Enquiries: Director Maritime Systems Program Office, Email: clcm.rft@defence.gov.au

Copies of RFT: www.tenders.gov.au

TARGETRY WORKS - PUCKAPUNYAL MILITARY AREA VIC**EST01365****22 MAY***Ext. From 8 May*

- Request for Tender - Medium Works Contract (EWP MEWC -1 2014) - Project No:

The Department of Defence is seeking tenders from suitably qualified contractors for a project that involves design and construction of replacement oblique and north-south moving targets, including associated civil works, on the Armoured Fighting Vehicle Field Firing Target System at Puckapunya Military Area Vic.

Industry Briefing: An Industry Briefing will be held at **WebEx Teleconference, no longer on site at Puckapunya from 10:00 AM to 12:00 PM on Tuesday 31 March 2020**. Tenderers must contact the Enquiries Officer by 5:00 PM on Friday 27 March 2020 if wishing to attend.

Works to be completed within 48 weeks of contract execution. The preferred contractor will be employed under the Medium Works Contract (Design & Construct).

Closing Date: 5:00 PM Friday 22 May 2020

FORENSIC KIT SUPPLY

YR2020-FKS-10

29 MAY

- Request for Proposal - NSW Police Force

NSW Police Force (NSWPF) is seeking responses from organisations able to provide Forensic Kits. Please note compliance to Technical Specifications, Quality and Legislation Standards are Mandatory requirements for this RFP.

NSWPF intends to enter into an agreement with the preferred respondent or respondents for an initial term of three (3) years with two (2) options for additional terms of one (1) year each.

Closing Date: 12:00 PM Friday 29 May 2020

Enquiries: Michael Stiffle, Tel: (02) 8835 9569, Email: procurement@police.nsw.gov.au

Copies of RFP: www.tenders.nsw.gov.au

GENERATOR HIRE SERVICES

10627

5 JUN

- Invitation to Offer - Energy Queensland Limited

Energy Queensland (EQL) is seeking to engage service providers who can demonstrate their capability in the provision of Mobile Generation & Ancillary Equipment. EQL will utilise the hire equipment for the use of planned and unplanned network outages including during emergency disaster restoration works. Specifically, the hire provision may require the supplier to provide the following equipment/services:

- Mobile generation plant
- Generator cabling and temporary reticulation systems
- Fuel tanks
- Fuel hoses
- Temporary transportable bunding
- Temporary fencing

- Generator transport trailers
- Transport
- Refuelling services
- Servicing and technical support

Closing Date: 2:00 PM Friday 5 June 2020

Enquiries: Tony D Hollebone, Email: tony.hollebone@energyq.com.au

Copies of ITO: qtenders.hpw.qld.gov.au/qtenders

PROTOTYPE NATIONAL INTELLIGENCE COMMUNITY SMART SATELLITE SYSTEM

ONI 024/2020

5 JUN

- Request for Tender - Office of National Intelligence

Office of National Intelligence is seeking tenders from suitably experienced entities to provide space based research and engineering services in order to develop, build, test, launch and operate a prototype or proof-of-concept "smart" satellite to demonstrate the application of miniaturised satellite systems with on-board machine learning applications. The scope of works performed under this contract aims to combine a systematic approach to research and development with commercial off the shelf solutions. Tenderers are to propose a delivery approach to achieve the outcomes. The contract is anticipated to commence in early-July 2020 for an initial period of two years to 30 June 2022, with the option to extend the contract term by period(s) of up to an additional 12 months to 30 June 2023.

Virtual Industry Briefing: A Virtual Industry Briefing will be held **from 8:00 AM on Thursday 14 May 2020. Virtual methodology to be confirmed by Contact Officer at least 24 hours before the industry briefing.** Tenderers must contact the Enquiries Officer by email, no later than Monday 11 May 2020 if wishing to attend.

Estimated Value: From \$4,000,000 to \$5,000,000

Closing Date: 4:30 PM Friday 5 June 2020

Enquiries: Christopher Brookes, Tel: (02) 6144 0605, Email: Christopher.Brookes@oni.gov.au

Copies of RFT: www.tenders.gov.au

STANDING OFFER PANEL ROAD CRASH RESCUE GLOVES

DPFEM RCR GLOVES 20#1

9 JUN

- Request for Tender - Department of Police, Fire and Emergency Management Tas

The Department of Police, Fire and Emergency Management Tas requires a supply of fit for purpose road crash rescue gloves.

Closing Date: 2:00 PM Tuesday 9 June 2020

Enquiries: Zhacaleen Sweeney, Tel: (03) 6173 2342,
Email: zhacaleen.sweeney@dpfem.tas.gov.au
