

NEW DEFENCE TENDERS THIS WEEK: 7 December

EDINBURGH SA AIR SHOW - VIP CATERING

AST 001 EDN CAT

31 JAN

- Request for Tender - Defence Support and Reform Group

On 9 and 10 November 2019, Air Force will undertake a major Air Show at RAAF Base Edinburgh in South Australia. The Air Show will incorporate a VIP hospitality area for 200 invited guests, and an additional 200 guests in a separate but collocated venue, on each day. The Air Show Team is seeking a suitable Supplier of VIP catering services to deliver food and beverages to the guests. The requirement also includes Front-of-House and Back-of-House staffing, and all catering equipment. On-site food preparation is to be undertaken in a greenfields venue provided by Defence. As the site is on an airfield, there are no fixed power or water services available. However, Defence will make available a generator of sufficient capacity as agreed with the successful Supplier.

VIP Venue

Provide food and beverages to 200 VIP guests within a Defence-provided air-conditioned 20m x 20m Hoecker/Marquee with floor from 0900-1700 on each of 9 and 10 November 2019. Provide Front of House staff for table service for the two Top Tables, bar service, table clearance and re-setting, and general cleanliness.

Vimy Club

Provide food and beverages to 200 guests in a separate but collocated Defence-provided air-conditioned 20m x 20m Hoecker/Marquee with floor from 0900-1700 on each of 9 and 10 November 2019.

Provide Front of House staff for bar service, table clearance and re-setting, and general cleanliness.

VIP and Vimy Club

Provide all required catering equipment eg cooking, refrigeration, food warmers etc

Provide all kitchen staff

Operate from within a Defence-provided Hoecker/Marquee with floor (nominally 6m x 5m)

Provide all required crockery, cutlery, serviettes etc

Closing Date: 3:00 PM Thursday 31 January 2019

Enquiries: Brent Kirpison-Colley,

Email: defence.procurement@defence.gov.au

Copies of RFT: www.tenders.gov.au

EDINBURGH SA AIR SHOW - AUDIO

AST 002 EDN AUDIO

31 JAN

- Request for Tender - Defence Support and Reform Group

On 9 and 10 November 2019, Air Force will undertake a major Air Show at RAAF Base Edinburgh in South Australia. The Air Show Team is seeking a suitable Supplier of audio services to provide: Concert quality wireless sound for commentary across the Ground Display area covering 265,000m²

1 x portable PA system for use in the VIP venue (indoors 20m x 20m)

1 x portable PA system for use by the Military Working Dogs display (outdoors 60m x 60m)

Provision of an elevated (nominally 800 to 1000mm) Stage 6m x 8m with roof and Sound system for the 8-piece Air Force Rock Band concert (localised to around 100m of the stage) (lighting should not be required)

Provision of all rigging and associated construction equipment

All audio system portable power supplies (there is no access to fixed power on the airfield (the display site))

Make available staff on both 9 and 10 November 2019 to rectify any sound issues

Note: No audio testing can be conducted 0930 - 1500 Friday 8 November 2019 due to school STEM activities on-site

Bump-out should commence as soon as possible after the event concludes. However, no vehicles will be permitted within the public area before 1800 on 10 November 2019

Closing Date: 3:00 PM Thursday 31 January 2019

Enquiries: Brent Kirpson-Colley,

Email: defence.procurement@defence.gov.au

Copies of RFT: www.tenders.gov.au

EDINBURGH SA AIR SHOW - SHADE & FURNITURE

AST 003 EDN S-F

31 JAN

- Request for Tender - Defence Support and Reform Group

On 9 and 10 November 2019, Air Force will undertake a major Air Show at RAAF Base Edinburgh in South Australia. The Supplier will be required to deliver, erect, dismantle and remove from the site the following structures and furniture:

3 x 20m x 20m Hoeckers/Marquees suitable for VIPs with floor, lighting and airconditioning (2 with verandahs on 1 side) (VIP, Vimy Club and Vickers Vimy display) plus 40 x round tables and chairs to seat 400 VIPs

1 x Kitchen Structure (no equipment) with floor (indicative size 6m x 5m)

2 x VIP Reception facilities with floor (indicative size 5m x 5m) with wheelchair ramps from ground to floor level

1 x Corporate/commercial display Hoecker/Marquee with 60 display/exhibitor booths with floor plus lighting, airconditioning, 120 chairs and 120 trestle-type tables

4 x Shade Areas (no sides) capable of seating 750 people each for the food court plus trestle-type tables and chairs to seat a total of 3000

6 x Shade Areas (no sides) for drink stations plus 600 chairs (no tables) (indicative size 20m x 10m)

3 x Shade Areas (no sides) for car park bus stop shelters plus 30 chairs (indicative size 20m x 10m)

3 x Shade Areas (no sides) for car park bus stop shelters plus 30 chairs (indicative size 40m x 10m)

1 x Shade Area (no sides) for Bag check facility plus trestle tables for 10 lanes plus 20 chairs

NOTE: Due to the proximity of underground cables on the airfield, all structures must be Blocked/Weighted, not pegged

Closing Date: 3:00 PM Thursday 31 January 2019

Enquiries: Brent Kirpson-Colley,

Email: defence.procurement@defence.gov.au

Copies of RFT: www.tenders.gov.au

EDINBURGH SA AIR SHOW - TEMPORARY TOILETS AND ASSOCIATED SERVICES

AST 004 EDN TOILETS

31 JAN

- Request for Tender - Defence Support and Reform Group

On 9 and 10 November 2019, Air Force will undertake a major Air Show at RAAF Base Edinburgh in South Australia. The Supplier will be required to deliver, maintain and service and remove from the site the following amenities:

VIP Area

- A VIP-suitable toilet block (200 VIP/day) plus 1 x accessible toilet that is ADA compliant
- A second similar block for the Vimy Club (200 special guests/day) plus 1 x accessible that is ADA compliant

General Public

- Sufficient toilets for up to 60,000/day, preferably in blocks, plus sufficient ADA compliant accessibles and some baby change as well (indicative numbers are 200 female pans/100 male pans plus urinals plus accessibles/baby change)
- Two (or more) Hydration Stations with a minimum combined total of 20 tap heads
- A total of 8 handwash stations to be placed around the food court areas (2 per area)

Car Parks

- A total of 20 x Portaloos to be placed at individual bus stops within the car parks (5 bus stops x 4 Portaloos)

NOTES:

1. There is no access to fixed water or electricity services on the site. Toilet blocks may require external tanks, pumps and generators depending on whether they are pressure or gravity fed.
2. Access to emergency pumpout should it become necessary is required.
3. Quality and appearance of toilet blocks and Portaloos and the public image they portray will be factors in selection of the preferred Supplier.

General

An air-conditioned Ticket Box(es) with a total of 6 windows for on-site ticket sales.

An air-conditioned elevated Commentator Box (preferably with windows at each end and all of one side) for the Air Show commentator.

Staffing

Staff to maintain/clean the toilets throughout the event on 9 and 10 November 2019, and replenish toilet consumables (eg toilet paper, soap, hand towel).

Staff to maintain/replenish water/consumables for handwash stations on 9 and 10 November 2019.

Closing Date: 3:00 PM Thursday 31 January 2019

Enquiries: Brent Kirpson-Colley,

Email: defence.procurement@defence.gov.au

Copies of RFT: www.tenders.gov.au

SOLAR ARRAY - HARTS RANGE TRANSMIT SITE, NT

EST01214

5 FEB

- Expression of Interest - Medium Works Contract (EWP MEWC -1 2014) - Project No:

The Department of Defence is seeking Expressions of Interest for a project that includes a Solar

Photo Voltaic (PV) renewable energy installation near Harts Range, Northern Territory (NT). The project is for a Solar PV system of the order of 1000kW to supply the Base. The Solar PV system will require integration with the existing diesel power station on site, including provision of an energy storage system, integration with a live radar capability and management of considerable power quality and other technical issues such as transient loads. An integral part of this project is the ongoing support and maintenance of the system once it has been installed. This maintenance is to be provided by the contractor who installs the system for twenty four months, with extension options for an additional 24 months (48 months total).

The criteria to be applied for the purposes of evaluation for the ITR Stage are as follows: a. The proposed corporate structure and the financial and corporate viability of the respondent to provide the Supplies (non-weighted evaluation criteria); b. Capability and Capacity (40% evaluation weighting) c. Task Appreciation (40% evaluation weighting) and d. Previous Performance (20% evaluation weighting) The subsequent Limited Tender will have the following criteria weighted for evaluation: a. Workload and Proposed Resources – (40% evaluation weighting) b. Methodology and Plans – (40% evaluation weighting) and c. Program – (20% evaluation weighting).

Industry Briefing: An Industry Briefing will be held at **JLL Perth office Level 29, 152 St Georges Terrace, Perth, WA from 10:30 AM on Thursday 20 December 2018**. Tenderers must contact the Enquiries Officer by email, by 5:00 PM on Tuesday 18 December 2018 if wishing to attend.

Installation to be complete by 30 December 2019. Maintenance to be provided for two (2) years post completion date. The preferred contractor will be employed under the Medium Works Contract (Design & Construct).

Closing Date: 12:00 PM Tuesday 5 February 2019

Contact: Kevin Hamer, Tel: (08) 9483 8519,

Email: Augility.Procurement@ap.jll.com

Copies of EOI: www.tenders.gov.au

TELEMATICS

WS1528501982

21 DEC

- Request for Tender - Sydney Trains, NSW

Sydney Trains, NSW is seeking tenders from suitably qualified contractors to establish contractual agreement with a suitable supplier for Telematics.

The aim of the Telematics/GPS Upgrade is to replace the existing Telematics in all Sydney Trains Light Commercial and Heavy Vehicles. The new solution will support Sydney Trains in its compliance with National Vehicle Laws including the National Heavy Vehicle Accreditation Scheme and will improve driver safety. The solution should improve driver safety by tracking the vehicles and providing data related to, but not limited to, seat belt warning, speeding and harsh driver behaviour.

NEW ZEALAND TENDERS

BIOMEDICAL EQUIPMENT SAFETY SERVICES

RFX_1429

1 FEB

- Request for Proposal - New Zealand Defence Force

NZDF has a number of medical and dental facilities throughout New Zealand where equipment, used to treat patients, is subject to biomedical engineering services of testing, calibration and repair, in order to ensure patient safety.

The intention is to go to the market through this tender process seeking best possible terms from Respondents for the ongoing comprehensive service and maintenance of biomedical equipment operated by NZDF.

The terms of the proposal will be based on a partnership arrangement whereby the Respondent and NZDF work together to provide the required services to the required standards. Each party will have specific responsibilities and deliverables as part of any negotiated Agreement.

The overall objective of this RFP is to:

- a. Find the most cost-effective solution for the continuing maintenance and repairs of all biomedical equipment operated by NZDF.
- b. Increase organisational capability and maintaining operational effectiveness.

We are looking for the most cost effective solution to our needs whilst achieving or exceeding our service maintenance requirements.

The Agreement will be for an initial period of five (5) years with provision for one (1) subsequent right of renewal, for a period of two (2) years (5 + 2).

Closing Date: 4:00 PM Friday 1 February 2019

Contact: Valtyn Showell,

Email: dcsc@nzdf.mil.nz

Copies of RFP: <https://nzdf.bravosolution.com>
